### FREE period underwear!

Free period underwear will be available at our school from **Monday September 16**.

Students who have periods can pick up max 5 pairs of period underwear from boxes in the **Senior Bathrooms, Front Office student bathroom, Wellbeing Centre, Gym Change rooms, Junior Building Bathrooms and J2** (open to students during lunch time). *Sizing charts will be available next to the boxes.*

Period underwear will be freely available. You don't need to ask a staff member to take the underwear and you don't need to tell a staff member if you take the underwear.

Period underwear will be available for 8 weeks. Keep an eye out for the boxes around the school!

**Environmental Duty Update:** From Monday August 19, classes will be allocated an Environmental Duty. We are noticing that students are failing to use bins, and it is not the school's responsibility to pay someone to pick up rubbish. Please remember to put your rubbish in the bin.

At times, the wind does blow rubbish around. Every class will have 1 environmental duty a term. This duty will go for 10 minutes at the end of the school day.

We thank you all in advance for supporting the school in ensuring it is kept clean. Teachers will inform their class when it is their turn.

### JUNIOR SCHOOL:

## Holiday Message

*With just one term to go before you move into a new year level with new challenges, we hope that you use your school holidays to rest and take some time doing the things that you love to do. We want you to return feeling energized and ready to tackle new learning challenges as we wind up the year.*

All students are reminded that there is to be NO food or drink consumed in the Junior School building. If this rule cannot be followed, we will have to close the Junior School building to students during recess and lunchtime.

**Junior School Lateness:** A reminder that students who are late to school should go directly to class to minimise the amount of time out of class. If you have a note or medical certificate, please bring that to the coordinators office at recess.

**Uniform Passes:** If you require a uniform pass, it is your responsibility to come to see your coordinators *before school*. If you have arrived at school after the beginning of period one, you will need to see coordinators at recess. We recommend that all students organise their uniform the night before to ensure that they have something clean and dry to wear on the following day. Remember to keep your shoes undercover overnight to ensure that they do not get wet if it rains.

**Tissues:** We have noticed that a lot of students are requesting to leave class for tissues. Please ensure that you have tissues with you in a pocket or pencil case if you need them as the school will not be providing them to you and, like
